Office of the Commander

Welcome to Bravo Company, AFNorth Battalion, USANATO BDE. On behalf of the Brigade and Battalion Command Teams I would like to be the first to welcome you to the NATO team. Your selection for assignment to NATO and the surrounding community will be a rewarding experience both professionally and personally. If you are bringing family the JWC Welcome packet has a wealth of information to get you started off on the right foot in your new assignment. The area really does offer enormous opportunities for travel and experiencing the European culture and history. Your sponsor should be in contact with you shortly and will be able to answer any assignment related questions you may have. However, if you have any questions for me, don't hesitate to ask.

Readiness is the Army's #1 Priority. We ask that you complete all your medical, dental and training requirements listed in the attached welcome packet prior to arrival. This will speed your processing and ultimately the arrival to your respective section. Additionally, we look forward to integrating families into the Bravo Company Team as well. Please have your spouse reach out to the Company SFRG with any family related questions they might have and to ease the burden of the PCS move.

Upon arrival, you will be met at the airport by your assigned sponsor. The Sponsor will provide transportation to lodging and assist you with starting the inprocessing process. This process will take several days and be completed in conjunction with house hunting as applicable. The Bravo Company ISG and I look forward to personally meeting you as you inprocess the Company and are here to help in any way possible. I can be reached at DSN 314-423-5884 or [derick.b.sikes.mil@mail.mil](mailto:derick.b.sikes.mil@mail.mil).

Again, I look forward to personally welcoming you to our team as you make your transition to NATO. Fight Evil, Purge Evil!

Sincerely,
