Welcome

Welcome to US Army NATO (USANATO). A smooth transition to USANATO begins with good sponsorship. It is imperative that you initiate and maintain contact with your assigned sponsor immediately. Your sponsor is the one person who can help ensure that you and your family arrive in country and begin in processing smoothly. Be sure to address your concerns and questions before your arrival, so that your sponsor and gaining unit can assist you properly. Prior to your arrival, your sponsor should have made billeting reservations, airport transportation pick-up, and in-processing appointments for you as a minimum. Make sure to inform your sponsor of any last minute flight changes or reporting delays. Below is a highlight of what you can expect at your country of assignment. The information here is not all inclusive and may change over time. It is especially important to check and verify a country's requirement for passport and visa.
