The inclusion of administrative control for the MPEP and SON personnel expands our current mission to support the security cooperation among allied nations to one additional country and 43 new locations. USANATO Brigade will conduct Routine Admin Support and UCMJ actions such awards, DD Forms 93, SGLV, leave and passes, SRB updates, MEDPROS updates, FVAP, and all other HR related actions through the G5 IOD section. Their mission is to ensure individual Soldier and Family Readiness through administrative, HR, logistics, operations, and communications support. They receive direct guidance from Brigade leadership.

You can find out more about us and our team at <https://www.usanato.army.mil/About-Us/Leadership/>. If you have additional questions, feel free to contact us at +49-(0) 611-143-549-5302

Although USANATO Brigade manages the support for the MPEP and SON population, the program is run from USAREUR-AF. For questions about the program please email USAREUR's PM at lee.s.fennema.civ@army.mil

Again, welcome to the Brigade and we look forward to supporting you and your operations with our partner nations.

Warm Regards

1. QUICK HISTORY OF THE UNIT AND MISSION

Lulworth Army Camp is home to the Armoured Fighting Vehicle Schools Regiment Gunnery School. The camp was established in 1918 along the southern coast of Dorset, England but has hosted the British Armed Forces dating back around the mid 1800's. Following the invention of the tank in 1916, Bovington and Lulworth were selected as the main training locations for the vehicle.

Dorset Rifle Volunteers pictured at Lulworth Cove in 1864

Today, Lulworth hosts Soldiers from the Royal Armoured Corps, Royal Engineers, Infantry, as well as Royal Marine Commandos who also conduct their annual training on Lulworth ranges.

2. PARTNER NATION UNIT'S POC

Name and rank – MAJ Matthew Noone

3. MPEP DUTY DESCRIPTION

As an Armor Doctrine and Gunnery Exchange Instructor, you will instruct all courses offered to the Gunnery Wing of Lulworth Army Camp, on the Challenger 2 MBT platform. These courses include Troop Leaders, Crew Commanders, Non-Crew Commanders, Gunners Mechanism and B3 Gunners. You will be required to instruct to all levels of experience, from new Troop Leaders and recently graduated Troopers, to experienced crewman ready to assume the position of Crew Commander. For this reason, your instructional methods must be specifically tailored to the individual courses.

The Gunnery wing is comprised of nine “shop floor” Instructors, a 2nd in Charge (2IC – generally a SSG) and the Group Warrant Officer (Group Wo). You will be assigned courses and will share the duties of the course with one other Instructor. Daily duties may include receiving students to the PGTE Bldg, delivering lessons and providing instruction to students, operation of simulators and Loader Drills Trainer (LDT), gunnery range preparation, LOSM (Staff Duty) and monthly mess meetings.

Gunnery is conducted at 5-Tips range located a short (~7 minute) drive from camp. Duties during ranges can vary based on the position you are assigned. You may operate the Live Fire Monitoring Equipment (LFME) trailer and oversee the scoring of crew shoots, or you may be assigned to the range safety vehicle. Positions will generally rotate to allow for experience to be shared equally to all instructors. The range complex at Lulworth consists of four separate ranges: 5-Tips, Bindon Hill, Tynneham Village and St Andrews. 5-Tips range hosts the Challenger 2 and Warrior vehicles by providing four firing lanes and bounds, a tower, ammo shed, crew shelter with latrines and concrete pad for Live-Fire Monitor Equipment (LFME).

4. CASUALTY:

Provide the staff duty number to your supervisor to contact us if you were to be seriously injured, hospitalized, or become a fatal casualty.

Staff Duty (LOSM Duty) Phone – +49 (0)7971-898056

5. IN-PROCESSING

USANATO Brigade will help you in-process. Most of the in-processing actions will be done virtually. DO NOT go on TDY for in-processing without the explicit approval of the USANATO Brigade regardless of what your PCS orders state. For information on in-processing action contact the USANATO Brigade G5 at usarmy.sembach.hq-usanato-bde.list.mpep-sons@army.mil.

Send your travel plans to G5 IOD USANATO Brigade POCs. You will report directly to your Partner Nation duty station. Once you arrive at your Partner Nation unit, you will contact the G5 IOD USANATO Brigade. We will send a memo to your resourcing unit asking them to arrive you in the system. We do not have access to arrive you.

The housing office in RAF Croughton does the delivery etc of your temporary furniture if needed while you wait for your HHG to arrive (Packet included with items and Contact information)
There are a few items you can keep the length of your tour (washer, dryer, fridge, converters etc.

Rations cards are done Military Personnel Office – 01280708324, which is in the same building as the Library. This is also where you can get your CAC / Dependant IDs done.

6. FINANCE:

Travel reimbursement takes longer than usual for MPEP and SONs. In some cases it can take from 60 to 90 days. Make sure your GTCC is put in VIP status by your current S8 and that your limit is increased to at least \$10,000. Ensure to stop your BAH/OHA before departing your current unit to avoid incurring a debt for overpayment. Three (3) months advanced pay is highly recommended, to be paid by the losing finance office IAW DOD Pay Manual, Table 4-1-1, Rule 7.

All documents go through the MPEP office for processing and updating.
There is also a yearly MPEP conference in Sembach, GE Where you have the ability to update all financial, medical and admin needs.

7. GARRISON SUPPORT

RAF Croughton is the closest US military installation at roughly a three-hour drive (one way). This Air Force base is relatively simple to navigate and are familiar with those of us in MPEP positions. The

MP station is on the left as soon as you come through the gate. There you can receive your UK drivers license if you have completed the online test. MEDPROS and Dental can be conducted here but may require further travel to RAF Lakenheath based on your specific requirements. Passport, Finance, BX and Commissary are all available on post. Here you may also be issued your fuel and rations card.

Lulworth Army Camp is relatively small (think Hohenfels), consisting of only the Officers mess, Warrant and Sergeants Mess, camp housing, the classroom buildings and the motorpools. The tank range (5 Tips) is connected to the camp and can be accessed either from the main road or from the tank trail at the back of camp. There is no fuel or store on the camp, any groceries must be sourced from either the local village of Wool, or by travelling a bit further. For medical, you can utilize the Bovington Medical center located 15 minutes from camp or make the trip up to RAF Croughton.

8. MEDICAL/DENTAL

You are required to complete all PHA and dental requirements 30 days prior to arriving to the unit.

During your MPEP/SON tour, dental care will be obtained at the local economy through. Family members will receive dental care through enrollment in the TRICARE Overseas Dental Program managed by United Concordia.

For Medical care you will enroll in TRICARE Overseas Program Prime Remote which provides health care through International SOS.

Website: <http://www.tricare.mil/PLANS/HealthPlans/TPRO.aspx>

Phone number: +44-20-8762-8384

Soldiers and family members will be referred to local health care providers by International SOS. International SOS maintains a list of local hospitals, clinics, and providers who speak English. However, once you arrive at your scheduled appointment, it will not be guaranteed that you will be speaking to an English-speaking receptionist or nurse. ISOS can provide live translations during your appointment, via telephone, if coordinated prior to your visit.

When required PHA can be accomplished online and over the phone using the VIPRR clinic. Once you call ISOS and discuss the available options for care or by directly requesting VH thru ISOS, care can be arranged. For more information contact Virtual Health Care Coordinators (+49 (0)6371-9464-4600) for assistance.

In certain instances when specialty care is not found in the local community, ISOS will refer Soldiers and Family Members to the most appropriate Military Treatment Facility where the needed specialty care can best be provided; which, may be Landstuhl Military Medical Center but not in all cases.

9. EFMP:

Health care for exceptional family members is difficult to obtain, and potentially unavailable or substandard. EFMP issues can result in the service member being required to perform an unaccompanied tour and/or termination of the assignment.

10. SCHOOLS

If service member has school-aged children, he/she must inform the USAREUR MPEP Coordinator in order to receive guidance concerning dependent schooling options and registration instructions.

Prior to arrival, service members with dependent school-aged children must register with DoDEA@NDSP.Admin.Europe@hq.dodea.edu and obtain pre-authorization before seeking schools for their children. Service members will be financially liable for any school fees, tuitions, and other costs not authorized by DoDEA.or call CIV 571-372-5863/1897 DSN 312-372-5863/1897.

For Lulworth Army Camp, there are no DoD schools within the local community. The two closest schools that serve Lulworth are listed below:

Lulworth and Winfrith Primary School accept up to year 6 (5-12 years old), and the school is located just down the hill from camp (walking distance).

[Home | Lulworth and Winfrith CofE VC Primary School \(lulworthwinfrith.dorset.sch.uk\)](http://lulworthwinfrith.dorset.sch.uk)

Phone: 01929 400330 email: office@lulworthwinfrith.dorset.sch.uk

Purbeck accepts years 7 and above (12 to 16 years old) and has a bus stop for the children next to the gate on camp. College is also available at Purbeck for 17 years and older. [The Purbeck School – Kindness, Aspiration, Perseverance](http://purbeck.dorset.sch.uk) Phone: 01929 550077, Email: office@purbeck.dorset.sch.uk

11. HOUSING

Housing is available on camp for the UK-62 position and is processed through Bovington Camp. A four-bedroom, two-story home with adequate back garden is reserved for the incoming family. These are your typical on-post style of housing with adjoining neighbors. The housing community is located just across the street from the HQ building and only a short walk to the SGTs Mess or the PGTE Bldg. Keep in mind that all electrical outlets are the standard UK 230v and thus, you may need a step-down power converter which the housing office at RAF Croughton can lend you for the entirety of your tour.

The local village of Wool has a small shopette style store and a fuel station, but any actual groceries will require a bit more travel to either Bournemouth or Weymouth (each about 30 minutes from Lulworth). The Tank Museum and Bovington Army Camp are just around the corner from Wool.

You also have the option of living locally on the economy in private housing. Weymouth is about a 30-minute drive to camp but may benefit your family with having access to grocery stores, restaurants and even a beach with a year-round fair. As Weymouth is an actual city, you will have many options for schools. The current Group Wo, along with some of the civilians that work on Lulworth also reside in Weymouth.

Service members will only be paid Overseas Housing Allowance (OHA) and Cost of Living Allowance (COLA) based on the duty location with locality code specified in this order. Duty locations not listed will be paid at the “Other Rate” locality code specified in the Defense Travel Management Office (DTMO). For more information regarding entitlements, visit:

<http://www.defensetravel.dod.mil/index.cfm>.

12. PASSPORTS/VISA

Family members traveling overseas are required to have passports. “No-fee passports” can be obtained at Government expense. The application process may take 4 to 6 weeks, so, you should begin the passport application process as soon as you receive your travel orders.

You must obtain a No-fee official (red) passport. Your dependents require a "No-Fee" (blue) passport. VISAs are not required for entry into Germany.

1. No-fee official (red) passport. Application for "No-fee" Passport, DD Form 1056, will include the following information for official passport: BLOCK 11: United Kingdom; BLOCK 12, MPEP participant; BLOCK 17: Traveler is a MPEP in PCS status and the traveler will visit: Afghanistan, Brunei, Cyprus, Egypt, Iraq, Malawi, Malaysia, Morocco and Kenya during their tour of duty. Traveler requires a no-fee (red) passport.

2. Dependents "No-Fee" (blue) passport. The application will include the following information: BLOCK 11: United Kingdom; BLOCK 12: MPEP participant; Block 17; Visa not required.

3. It is the Service member's responsibility to process the passport at his/her current duty station prior to PCS. DO NOT PCS to the United Kingdom without a US no-fee passport. Service members will comply with requirements for the country as set forth in the DoD Foreign Clearance Guide (FCG). AR 1-40 and 630-5 implement the FCG and furnish supplemental U.S. Army requirements. Check the passport and visa website to obtain updated information for passport and/or visa requirements: www.fcg.pentagon.mil/fcg.cfm.

Tourist passports are needed for personal travel in Europe. You may apply for tourist passports on arrival, but for convenience it is recommended that you apply for the tourist passport while you're still residing in the United States. You can find more information on tourist passports from your local personnel services detachment, passport office nearest you, or from the U.S. State Departments official website at <http://travel.state.gov>.

13. POSTAL SERVICES

APO Postal Services are located at RAF Croughton but require a monthly visit to collect any mail. If missed two months in a row, your post box will be closed. Factoring the six-hour roundtrip to the base, this may make keeping the post box more of a hassle. You can have mail delivered, at standard UK rates, to your residence whether you are staying on camp or off.

14. BANKING

USANATO Brigade can send you the form you need to do a direct deposit to a foreign bank.

Most of your bills will require a UK bank account in order to pay them, this includes paying your rent or taxes on your vehicle. Nationwide was the bank my family chose to go with and provided the needed Sort Code so that I could pay bills. If you do not receive the form that allows direct depositing to a foreign bank, you will be required to transfer your money via a third party, such as a Wise Account. This may add a delay to your funds posting and could impact the timely paying of bills.

Here in the UK, there is an annual TV tax that must be paid if you have own television. Sky cable is generally the preferred cable company and can be paired with your house or cell phone company such as Vodafone. Most, if not all vehicle insurance companies offer some sort of overseas coverage. I have had great service with Geico so that is what my family use in the UK.

If you plan on bringing your cell phones over, you need to ensure they are unlocked through your provider from the US. If not, they will not be able to be used. Phone contracts will be an issue here since you will have no credit established in the UK so prepaid will be the way to go. We went into Vodafone and found out they have a prepaid program called VOXI. I paid £20 per line with unlimited text etc.

15. VEHICLES REGISTRATION

In the UK Driving is done on the left side of the road versus right side; recommend checking with host unit sponsor prior to shipping POV. Most US vehicles must undergo major changes or additions to the vehicle lights, specifically the headlights, turn signals, white front park lights, and rear fog lights. The cost of the light conversion on some newer model POVS can be expensive or nearly impossible to convert. Recommend owners with newer model vehicles check with US vehicle dealership about the light conversion prior to shipping vehicle.

Registration: Registration is often a complicated task. Before registration begins, you will need to have your vehicle inspected at a reputable mechanic shop or inspection station. This is called an MOT in the UK. The inspectors may ask for translated copies of your previous registration and a data sheet that outlines the technical specifications for your vehicle. European inspections are rigorous. Technicians will complete a bumper-to-bumper, top to bottom, inspection that states any deficiencies. You will then have up to two weeks to correct the deficiencies, i.e. repair it, or you will need to pay for a whole new inspection at full-cost. Be prepared to pay for repairs or parts replacement if your vehicle is not new or well-maintained. Once completed, you will need to have written permission from your finance company to register in your host nation (translated), a bill of sale (translated), previous registration, customs documents, local inspection and (in some cases) a drivers history from the past seven years (translated) for the insurance company. You will need assistance from a language specialist or local national to take your documents to the local DMV, pay the fees, and receive your temporary plates. After you are entered into the DMV database, permanent plates will be issued.

If you decide to purchase a UK vehicle for your time being, there are many inexpensive options and often times come with an up to date MOT. After MOT is complete and processed, you will need to pay tax for your vehicle. This is mandatory and all information can be found at the following site:

<https://www.gov.uk/vehicle-tax>

Fuel: Fuel is paid by the liter in the UK and can be quite costly. Recommend attaining the fuel card from RAF Croughton as early as possible. Most fuel stations do not allow to pay at the pump, so as you pull in to the fuel station, the cashier will turn on the pump for you to fill up. Then simply go in to pay.

16. DRIVER'S LICENSE

Legally driving in the UK is authorized for one year if you hold an active US drivers license. This allows you time to settle in and prepare for the online UK drivers test. I recommend completing the online drivers test prior to arrival so that you are familiar with how driving and traffic work in the UK. Roundabouts can be intimidating if you are not used to them and UK drivers may enter at a much higher speed than you would expect. Driving on the left side of the road also takes a bit of getting used to. Pulling too far to the left or looking the wrong way when attempting to pull out on to a street are just a few scenarios that may be common while you adjust to driving in the UK.

Once passed, you can receive your UK drivers permit at the RAF Croughton MP station. The fuel card is provided at the AAFES BX and will require a Military Star Card for use.

17. VEHICLE PROCESSING CENTER - VPC:

You may have you vehicle shipped and processed through RAF Croughton. You will find more information here: <https://installations.militaryonesource.mil/military-installation/raf-croughton-raf-fairford/transportation/motor-vehicles>

18. TRANSPORTATION

The Transportation office located on RAF Croughton. The arrival of Household Goods (HHG) will be coordinated through this office: <https://www.housing.af.mil/Home/Units/RAF-Croughton/>
Your sponsor will assist you in working with transportation personnel to ensure the delivery of your HHGs after you find a home.

Once your housing contract is complete you can track your move at: <http://www.move.mil/> website.

Upon notification of a shipment's arrival, you must schedule a delivery date and be at your quarters on that date to accept delivery. HHG shipments for newcomers to your location should not include Personally Owned Firearms (POF). Host nation law is to absolutely minimize the import of weapons. The need to have a weapon must be proven by the local authorities and there is no guarantee request will be approved. Newcomers will not have the option to store POFs in the unit arms room due to the limited available space or prohibition of POFs in your orders.

19. IT SUPPORT

Government Computers are not always available and are not normally required to conduct day-to-day work activities. The Partner nation that you are assigned will issue you a work Computer. The USANATO Brigade G5 in coordination with the G6 will process NIPR account requests and issue (as availability allows) NIPR computers. In some cases, you may get a special CAC reader that allows you to use your personal tablet or phone to read encrypted emails. VPN access can also be requested if needed.

20. REASSIGNMENTS

MPEP/SON program funding only DIRECTLY supports requirements to enable the exchange program. This is a centralized Army funding for program management of worldwide exchanges and Schools of Other Nations program. In general – mandatory admin requirements, medical TDY, program management, MPEP conference, etc.

What is not funded by HQDA is the following (exceptions may apply on case-by-case basis):
