Dear SHAPE Newcomer,

My wife Cindy and I want to extend a warm welcome to you and your family! Thank you for your service and for joining us here as a member of the SHAPE international community.

As the strategic headquarters for NATO's Allied Command Operations (ACO), SHAPE is responsible for the planning, preparation, and execution of NATO's military operations. We are leading the defense of the Euro-Atlantic and the protection of our people.

Here at SHAPE, representatives from NATO Allies and partners work in close cooperation to form an integrated, international, and unified headquarters. We strive to be a highly proficient and agile command, ready and relevant to the full range of missions demanded by a changing, complex environment.

Diversity is strength, and at SHAPE we embrace it and leverage it. By living and working together, we value one another's experiences, perspectives, and capabilities. We also develop personal relationships that bind our nations together in friendship. Our diversity is building trust, which is foundational to the success of the Alliance.

Here at SHAPE, we also experience the rich culture of Belgium and the rest of Europe. I encourage you to take advantage of the many opportunities that our host nation offers. We gain a new appreciation, not only for military history, but also for the history of the values that we protect—freedom, democracy, and rule of law.

My priorities for this command are, first, to ensure that we have ready and postured forces—warfighters! Second, we must continue to strengthen the Alliance through strategic partnerships that build capacity, capability and interoperability. Third, we must continue to adapt to the complex and dynamic strategic environment. Finally, we must develop resilient service members, civilians, and their families.

Over the past 50 years, "Shapians" have created a community unlike any other in Europe. We are glad you have joined us. Again, thank you for your service and welcome to SHAPE!

Bienvenue en Belgique

Vivre en milieu international est à de nombreux égards l'occasion de vivre une expérience des plus enrichissantes. Durant votre séjour en Belgique, la richesse de son histoire vous permettra de découvrir d'innombrables trésors dispersés au cœur de 3 régions, la Wallonie, la Flandre et la région de Bruxelles-Capitale, et d'y rencontrer des citoyens de nos 3 communautés, française, flamande et germanophone.

Permettez-moi de vous inviter à découvrir ce patrimoine belge au travers de ses nombreuses et magnifiques richesses architecturales; en témoignent les cathédrales, châteaux et autres sites historiques. Je vous invite aussi à visiter nos musées, où vous pourrez entre autres redécouvrir la variété de notre bande dessinée avec des artistes comme Hergé et Peyo et les œuvres d'artistes peintres comme Delvaux ou Magritte, pour ne citer qu'eux; autant de pôles de créativité et d'originalité qui forment indéniablement une valeur culturelle et artistique mondialement appréciée. Le folklore, omniprésent en Belgique et particulièrement dans la région de Mons, est un autre moyen pour apprendre à connaître et apprécier votre Nation Hôte: nos très nombreux carnivals, processions religieuses et cortèges historiques dont certains sont reconnus par l'UNESCO (Binche, Alost) vous émerveilleront. Enfin, n'hésitez pas à goûter nos spécialités gourmandes telles les frites, les gaufres, le spéculoos ou nos chocolats mais aussi nos bières classées régulièrement parmi les meilleures au monde.

Sa position centrale en Europe, historiquement à la croisée des civilisations latine et germanique, son multilinguisme, ses valeurs politiques, sociales et religieuses contribuent à donner à la Belgique son caractère cosmopolite et son sens du compromis qui lui est si particulier.

Je suis intimement convaincu que vous apprécierez notre hospitalité légendaire et vous souhaitez ainsi qu'à votre famille, au nom de la communauté belge, un très agréable séjour en Belgique.

Welcome to Belgium

Living in an international environment is in many respects an invaluable experience. Thanks to our history, life in Belgium likewise offers a bountiful supply of amazing finds located in the very heart of each of our 3 communities (French, Flemish and German-speaking) and our 3 regions (Wallonia, Flanders and Brussels-Capital Region).

I invite you to discover the rich heritage of Belgium, so evident in many splendid architectural gems – cathedrals, castles and other historic sites. I invite you to further discover (or rediscover) our cartoon artists such as Hergé and Peyo, or the artwork of painters such as Delvaux or Magritte, exhibited in our museums – they are just some of the many sources of creative, original expression that constitute a rich artistic and cultural legacy treasured the world over. Folklore is present everywhere in Belgium, especially in the Mons region, and it is one more way to come to know and appreciate your Host Nation, thanks to our many carnivals, religious processions and historic marches, some of which have been recognized by UNESCO (Binche, Aalst).

Finally, do not hesitate to taste our many culinary delights such as frites, gaufres (waffles), speculoos cookies, and chocolates, as well as our beers, which routinely rank among the world's best. Belgium's central location in Europe, its place in history at the crossroads of Latin and Germanic civilizations, its multilingualism and its political, social and religious values all help to lend to Belgium its cosmopolitan flair and that sense of compromise that is so characteristic of Belgians.

I am quite persuaded that you will enjoy our legendary hospitality and, on behalf of the Belgian community, please allow me to wish you and your family a very enjoyable stay here in Belgium.

Philippe Warnauts
Captain (N)
Belgian National Military Representative
to SHAPE

Dear Newcomer,

It is my pleasure as Commander, Base Support Group, to welcome you to our international community here at Supreme Headquarters Allied Powers Europe (SHAPE).

Our mission is to support SHAPE and other NATO tenant units, their military and civilian communities and you! No matter what your status is, military or civilian, alone or with a family, you will find that SHAPE provides the opportunity to enjoy tremendous cultural diversity and to develop unique friendships. Your duties are sure to be equally rewarding and unique.

Your assignment here will be most enjoyable if you:

- Get to know the people with whom you will be working and living, both professionally and socially. Personnel from NATO member nations, Partnership for Peace nations, as well as other nations that enjoy a special relationship with NATO, are represented here at SHAPE. The friendships you build today are sure to last a lifetime.

- Take advantage of the shopping, dining, recreation and athletic facilities provided at SHAPE. Our ability to offer diverse services and opportunities for the entire community is dependent on the support we receive from you. Your patronage is essential and the reason why we continually strive to meet your expectations. We are always interested in your feedback and your ideas – so please let us know.

- Participate in some of the roughly 30 groups organized and operated by community members with special interests in a broad spectrum of activities. Whether it is the visual or performing arts, SCUBA diving or sailing, travel or history, or something else, you are sure to find others in the community who share your interest!

- Help make SHAPE an even better place to work and live by volunteering and by getting involved in Community activities. Many of the activities are made possible because of enthusiastic and talented volunteers who offer their time and energy. They have fun while providing considerable opportunities for the community.

On behalf of the Base Support Group, please accept my best wishes for a most enjoyable tour.

SHAPE COMMUNITY MEDIA

SHAPE COMMUNITY LIFE MAGAZINE - SCL

The SHAPE Community Life magazine falls under the broad Chain of Command of Base Support Group (BSG) as an authorized unofficial magazine that is published once a month by the Morale and Welfare Branch. Our mission is to keep the community informed of events, happenings, and opportunities, both inside and outside of the SHAPE gates. We are everywhere you want to be, even if you can't make it. A broad range of topics are featured in the 12 editions that we publish each year. Each edition is distributed throughout the base as well as to several locations in Belgium. As a member of the community it is important that you contribute too!

Regardless of if you have never written an article, or if English is not your first language, our multi-lingual team welcomes articles, stories, small and regular-sized advertisements, or any items in which you feel might be of interest to the community for publication. All free of charge. Small ads for our "Classified" section are inserted for a very small fee.

SHAPE2DAY WEBSITE

The SHAPE Community Life Website, www.shape2day.com is a Section of Base Support Group (BSG). SHAPE2DAY contains useful information intended to facilitate the integration of newcomers in the community. This includes: in and out processing, housing, healthcare, education, vehicle registration, and more. In order to ensure that you are up-to-date on events happening inside and outside of SHAPE, the website also offers news about our community and about the surrounding area. It even goes so far as to offer you the opportunity to register online for various events. As Shapians you have the opportunity to write stories, send in pictures and advertise any upcoming events that might interest our community. Classified ads can be posted at a very low cost.

4. ACE Form 107 (R) (Jul 2003)
5. NATO Personal Security Clearance certificate

IF YOU ARE A MILITARY DEPENDENT

1. National I.D. Card / Passport
2. An electronically completed, signed and stamped SHAPE Form 94, SHAPE ID Card Application
3. Copy of your marital status certificate, common law certificate or cohabitation agreement
4. For the mandatory application of a Belgian S-ID card:
 - Two colored copies of the national passport or national ID for each applicant.
 - Two copies of the birth certificate for all children, accompanied with a translation (Birth Certificate Form) stamped and signed by NMR for authentic and original (if those documents are not made in English, French, German or Dutch.)
 - Two copies of the marriage certificate or certificate of legal partnership, accompanied with a translation (Marriage Certificate Form) stamped and signed by NMR for authentic and original, (if those documents are not made in English, French, German or Dutch.)
5. Photos for the S-ID card are taken on site

**If the copies of the birth certificates and/or marriage/legal partnership certificates are not made in English, French, German or Dutch they must be accompanied with a translation stamped and signed by NMR for authentic and original.*

IF YOU ARE CIVILIAN OR NATIONAL COMPONENT

1. Same documents as a Military Dependent (see above)
2. Certificate of Assignment (which you should request from your employer before arriving at SHAPE)

IMPORTANT:

Please make sure your NSU or NMR stamps and signs the relevant forms before you visit the Central Processing Centre at building 210; otherwise you will have to return to your NSU or NMR before you can check in to be in-processed which will cause a delay in the procedure.

WHAT TO DO

If you are a military member: Check in at your National military Representatives (NMR), National Support Unit (NSU).

If you are a NATO civilian: Check in at the Civilian HR Recruitment Section (PER CHR), Consultants and Interns (Bldg. 102- Rm 224).

If you are a NATO contractor: Check in at your Divisional Security Office (DSO).

WHERE TO GO

Please visit the Family Support & Central Processing Branch (FSCEP). This is your one-stop location to register yourself, your family, and vehicle(s), manage V.A.T/T.V.A matters, customs and Belgian Federal Police matters. You can also receive your SHAPE driver's license at the FSCEP.

WHAT TO GET

SHAPE ID CARD: Be aware that it may take some time to in-process (certainly during the summer period), but this is a necessary process which all SHAPE members, contractors and civilians must complete to get your ID.

Belgian Special ID Card: Every newcomer (except Military) in Belgium must be registered on the Belgian population data base. Therefore, you need to start the application for the Belgium Special ID card (S-ID) which is released by the Ministry of Foreign Affairs. This ID is valid proof of your residence in Belgium. Military members may apply but are not obliged.

SHAPE HOUSING

If you are looking to find a place to live close to your office and where transportation is not required for your children to go to school; on base housing is the answer. The schools and shopping center are surrounded by the two residential zones that are owned and operated by the Belgian government.

The Housing Management Section (HMS) is responsible for administration and allocation of SHAPE Village quarters; however, the Belgian government will be your landlord. Residents are expected to foster a high standard of community spirit and respect the privacy to which all individuals are entitled.

TO APPLY FOR ON BASE HOUSING

- You must be head of the household
- Accompanied by dependents
- Assigned to or in direct support of SHAPE (military and civilian)

APPLICATION RULES

- Houses may only be assigned to Officers or Civilians equivalent (to be extended to OR7 and above, in 2018)
- Officers and other ranks may apply for apartments in the SHAPE Village
- Other ranks have the precedence subject to availability
- Officers may apply for temporary apartments while they are on the waiting list for houses

**Do not plan to move into a house with your family immediately upon your arrival. Entitled personnel will be waiting several months on the waiting list for houses, sometimes over a year.*

**Following the decisions made in November, 2010 during the NATO summit in Lisbon, the support for families living off base is now the responsibility of the sending Nations. Housing Management Section (HMS) does not support residents homed or wishing to be homed on the economy. However, national housing offices (USA, GBR, CAN...) do support residents from their nationalities.*

You can search a property through local agencies or by using a web search engine such as: www.immoweb.be/en

**If you are susceptible to leave SHAPE sooner than expected, make sure there is an early termination clause in case of reassignment.*

TROOP BILLETS

Nations that have rooms available in the SHAPE troop billets are; USA, GBR, DEU, BEL, ITA, NOR, FRA, SVN, TUR, LTU, LVA, GRC. Each nation manages these rooms according to their own national procedures. Check with your national support element for more details.

For more information on-base housing visit our website at:

VEHICLE MATTERS

Your Vehicle in Belgium

The SHAPE vehicle/motorcycle registration system is a transit system which exempts entitled persons from certain requirements of the Belgian permanent vehicle registration system and issues permanent fuel ration entitlements and temporary fuel ration cards (rental cars). The granting of SHAPE vehicle registration depends upon the applicant's compliance with the required procedures. This means since you are temporarily in Belgium you are exempt from import taxes on your first vehicle registration (certain cases apply for stolen/crashed vehicles).

Reference: SHAPE Directive 100-2, Vehicle Registration and Operation.

IMPORTANT

You must register all vehicles used or located in Belgium within 7 days of the vehicle being imported into Belgium, or procurement in Belgium. It's also mandatory by Belgium Law to de-register your vehicle upon your permanent departure from SHAPE. Until your vehicle is registered, or while you are using a rental car, you may receive a temporary "vehicle-entry" pass from the SHAPE Visitor's Office (Bldg.108) or from the Family Support and Central Processing Branch Registration Section (FSCEP-RGN) Bldg. 210, Room 109-110, in order to enter SHAPE and begin the vehicle registration process, including passing your vehicle Control Technique (CT) inspection, collecting required equipment (fire extinguisher, safety vest and safety triangle) and then registering your vehicle. The CT is only required for cars older than 4 years, and it is not needed for motorcycles.

Ensure you take the necessary steps to avoid violating Belgium customs regulations and paying fines/ import taxes. Please respect the exemption agreement between SHAPE and Belgium. If you have more than one vehicle, with one vehicle registered in Belgium and another vehicle registered in another country you are violating the Belgium customs regulations. You must register all vehicles used/parked in.

FUEL RATION ENTITLEMENTS

While living in Belgium and assigned at SHAPE, entitled persons are authorized fuel rations as a privilege. To receive your fuel ration entitlement, you must register your vehicle/motorcycle on SHAPE through the Family Support and Central Processing Branch - Registration Section (FSCEP-RGN), Bldg. 210, room 109-110.

**You will receive your ration entitlement during the vehicle registration process.*

As of 2007, high visibility retro reflective jacket (safety jacket/reflective vest) must be carried inside the motor vehicle when using it on all types of roads in case of breakdown, or the immobilization of a vehicle in an area where waiting and parking are forbidden. All vehicle occupants must wear a reflective vest for safety and by law.

Traffic Accident Guide

STAY CALM, KEEP SAFE

If you are in accident, it's important not to panic. Turn off your car engine. Turn on your hazard lights and get out of the car safely- exit from the passenger side to avoid traffic.

EXIT THE CAR SAFELY

Wear a reflective vest, secure the areas and place the warning triangle. Take all necessary measures to avoid further damage or casualties. This includes extinguishing a fire if necessary.

DON'T PUT YOURSELF IN DANGER

Use a flashlight at night. Keep a safe distance away from your car and away from the road or highway. Don't smoke or use mobile phones if there is a risk of petrol vapor in the air. Don't move any vehicle until the police have arrived, unless there is a chance of further injury if it stays in place.

CALL FOR HELP

The safety of everyone involved is always the priority. If you or anyone else has been hurt in the accident, call the emergency services immediately on 112 or SHAPE Police 065/44-3334. Be prepared to provide personal details, information concerning the type of accident, your location and casualties.

FIRST AID

Any person involved in an accident is obliged to aid casualties.

- Provide first aid if you have sufficient knowledge
- Actively assist casualties and seek for help

TAKE DOWN THE DETAILS

Once everyone involved is safe or being cared for, it's time to annotate exactly what happened. You will need to write down:

- The date, time and exact location of the accident
- The name, address and phone numbers of the other drivers
- The make, model and registration numbers of any witness, including passengers
- Details of injuries and attending police officers
- The insurance details of the other drivers

Take photos of the accident with your smartphone, showing the positions of the vehicles involved, and any skid marks and damage. If you do not have a camera on you, ask others in the surrounding area for one or draw a sketch of the scene.

**The details mentioned are included in the standardized European Traffic Accident Report forms.*

Take photos of the accident, showing the positions of the vehicles involved, and any skid marks and damage. If you do not have a camera on you, ask others in the surrounding area for one or draw a sketch of the scene.

DON'T ADMIT LIABILITY

Whether you've had a minor prang or suffered something more serious, do not admit liability. Even if you think the accident was your fault, you shouldn't discuss details of a sentiment with the other driver(s) without speaking with insurance company.

YOUR LEGAL RESPONSIBILITIES

Following a minor accident, it's possible to simply arrange a « Gentlemen's Agreement ». This agreement can be settled if there were no injuries and no damage to public property (like road signs) as a result of the accident. In order to provide all information required, you should use the standardized European Traffic Accident Report form. In these forms, the information is standardized so you are sure that the right information is passed on. REMINDER

Please make sure the safety and emergency equipment in your vehicle is up to date and in good condition. This applies especially for you First Aid Kit and the Fire Extinguisher. This equipment has to be maintained frequently.

DON'T FORGET

In case you have a traffic accident in and off base you always may request support from the SHAPE Federal Police.

WHAT DO CUSTOMS DO?

In Belgium, as in the USA or any Member State of the European Union (EU), the Customs Administration deals with the importation and exportation of goods.

That is why you will have contact with us

- When you arrive at SHAPE
- When you leave SHAPE at the end of your duty
- When you bring in some goods from non-EU countries into Belgium

Do not forget also that we will deal with your car(s)

- When you import it
- When you buy it in Belgium or in another EU country
- With duty and tax exemption.
- We intervene when there are customs and excise duties!
- We DO NOT intervene when only VAT is concerned

**SHAPE members are entitled to duty and tax exemptions for their own imported goods or for purchases of reasonable quantities of some items. A complete list is available on the website shape2day.com*

WHAT DO YOU HAVE TO DO?

1. WHEN YOU IMPORT GOODS (including cars) AT YOUR ARRIVAL AT SHAPE

When you first arrive at SHAPE to take up your post, you may import all your belongings from a third country free of duty and tax, but only if some conditions have been fulfilled (proof of 6 months of ownership and use in the precedent third country of residence and no residence in Belgium before).

We call this the "moving customs duty exemption". It applies only if you came from a third country (USA, Canada, Norway, Turkey, etc.) and NOT from EU. It applies only once.

**When arriving at SHAPE to take up your post, you are also entitled to import temporarily all kinds of personal goods (including vehicles such as cars) free of duty and tax, if you make a customs declaration (NATO Form 302) and on the condition that you will re-export all these goods by the end of your posting in Belgium.*

2. WHEN YOU IMPORT GOODS AFTER YOUR ARRIVAL

On the contrary, when during your time at SHAPE you return back from a non-EU country with souvenirs (leisure travel or mission travel); you may also import some goods free of duty and tax within certain limits: Goods worth no more than 430 EUR (more or less 325 USD) and within certain quantities for alcohol beverages and tobacco products.

Visit our website about Travellers Allowances at fiscus.fgov.be/interfdanl/en/citizens/voyageurs.htm.

2.1. If you're travelling from outside the European Union or from territories with a special tax status (2)

When travelling from a non-EU country or from an area with a special tax status, like any other citizen you will be subject to customs checks. If you have goods to declare, please do use the red channel. Use the green channel only if you are sure that you have nothing to declare or if you are bringing into the EU no more than the allowances mentioned here after. These allowances are granted regardless whether the goods have been bought on the domestic market or with a tax refund because of their exportation out of the country (e.g.: goods bought in a tax free shop at the airport).

Allowances for goods you bring into the EU with your personal luggage and for no commercial purpose:

TOBACCO PRODUCTS		
Cigarettes OR Cigarillos OR Cigars OR smoking tobacco	200 pieces OR 100 pieces OR 50 pieces OR 250 grams	If you are under 17, you cannot have the "tobacco products" allowances, nor the "alcohol and alcoholic beverages" allowances.
ALCOHOL AND ALCOHOLIC BEVERAGES		
Beer And Non-sparkling wines AND 4 litres And Distilled beverages and spirits of an alcoholic strength exceeding 22 % vol. ; indentured ethyl alcohol of 80 % vol. and over Or Distilled beverages and spirits, and aperitifs with a wine or alcohol base, ratafià, sake or similar beverages of an alcoholic strength of 22 % vol. or less ; sparkling wines, fortified wines	16 litres and 4 litres and 1 litre or 2 litres	
OTHER GOODS THAN THOSE MENTIONED ABOVE		
	Worth 430 EUR for air or sea travellers or 300 EUR in total for other travellers	If you are under 15, limited worth 175 EUR

2.2. Excluded goods

If you bring in goods for professional reasons, for resale or in larger quantities than normally brought in by some one for non-commercial purposes, you are not entitled to the travellers' allowances described above.

2.3. Bringing in goods exceeding the quantity or value allowances

If you are importing more than these allowances (regarding value and/or quantity), you must declare the goods to the customs authorities: you must pay the corresponding import duties and taxes on it. If you do not, you may get a fine in addition to the taxes that are due.

When the imported quantity of tobacco products, alcoholic beverages, exceeds the quantity allowances, you will only pay taxes on the quantity exceeding the allowances. If you bring in another good that is worth more than allowances for "other goods" (430 EUR or 300 EUR), you will pay taxes on the total amount.

We also have nationwide membership eligibility through the American Consumer Council and anyone who lives, works, attends school or worships in Washington, D.C.

2.4. If you're travelling from an EU country (1) with goods on which taxes have been paid

If you bring in Belgian goods on which tax has been paid in another Member State of the European Union, you do not have to pay any tax or duty on them (as all taxes have already been paid in the country where you have bought them). Travellers coming from a Member State of the EU may bring goods into Belgium without any restriction regarding quantity or value. Excise duties remain due for tobacco products and alcoholic beverages introduced for commercial purposes.

In order to decide on the commercial nature of the goods introduced, the customs authorities may ask you some questions on the commercial status, grounds for importation, place of storage or the means of transport used as well as any document relating to these products, the kind of goods and the quantity imported according to the following indicative limits.

TOBACCO PRODUCTS		
Cigarettes (Cigars with maximum weight 3 kg each) Cigarillos Cigars Smoking tobacco	800 pieces 400 pieces 200 pieces 1 kg	(Cigars with maximum weight 3 kg each)
ALCOHOLIC PRODUCTS		
Distilled beverages (e.g. Port, Pineau des Charentes etc.) Intermediate products (Maximum 60 litres of sparkling wines) Wines Beer	10 litres 20 litres 90 litres 110 litres	(e.g. Port, Pineau des Charentes etc.) (Maximum 60 litres of sparkling wines)

*NOTES:

1) The Member States of the EU are: Austria, Belgium, Bulgaria, Cyprus, Croatia, the Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, the Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden and the United Kingdom.

2) The EU territories with a special tax status are: the Channel Islands (Guernsey, Jersey, the Canary Islands (Gran Canaria, Tenerife ...), French Guyana, Guadeloupe and Martinique, the Åland islands and Mount Athos. The allowances for travellers coming from these territories are the same as for travellers coming from non-EU countries.

3. IMPORTATION OR PURCHASE OF PERSONAL CARS

You are entitled to:

- Definitively import but only once after your arrival at SHAPE any personal vehicle (land, air, sea) under the "moving duty procedure" if you meet the exemption conditions
- Temporarily import a limited number of 2 vehicles (see notice here under VAT chapter)
- Purchase free of VAT a vehicle in Belgium according to certain rules (see notice here after on VAT).

4. CUSTOMS FORMALITIES

To comply with customs, a customs declaration will be completed and presented at our office.

With this declaration (NATO Form 302 or standard customs declaration), certain documents must be added such as title of ownership, invoice, list of the goods, insurance, SHAPE ID card.

Ask your NMR or your civil authorities to complete this form.

5. PURCHASE IN MILITARY CANTEENS AT THE SHAPE COMPOUND

You are entitled to purchase tax-free (import duties, VAT and excise duties) all goods available inside the Carrefour Shop if you can justify your entitlement by showing your SHAPE ID card. Alcoholic and tobacco products can be purchased also tax-free but within certain limits in RIS and in the Carrefour Shop (in Carrefour, only wines, including sparkling wines and beers). Anybody with SHAPE ID card but not entitled to fiscal privileges may purchase all goods available, all taxes included inside the Carrefour Shop or in shops other than RIS.

6. WARNING!

In any case that you ARE NOT ALLOWED to sell, transfer, or dispose of the items you purchased or imported under a customs procedure except as provided below.

1. If you desire to sell the item, you must coordinate with the Belgian Customs Office located at Room 111A of Building 210, SHAPE or at Chièvres, to close your case without payment if you sell this product to another entitled person or to pay duty and VAT if you sell it to any other person without tax entitlement.
2. If you PCS with the item on your person or ship the item in your household goods or luggage, there are no tax consequences. A breach of Belgian customs and tax regulations can result in fines by Belgian tax authorities and adverse administrative action by your Forces.

SHAPE VAT OFFICE

VAT Exemption

GOODS EXEMPTION

This section applies only to purchases made outside the SHAPE Base in Belgium or in Europe. Don't leave free money on the table! When in Belgium, SHAPE members can be exempted from certain taxes. So it is important to know the procedure in order to get the appropriate refunds when eligible. In Belgium you pay a tax called Value Added Tax (VAT, or TVA in French) on almost every purchase you make. It is a consumption tax, whose standard rate is 21% which is added to the purchase amount. However SHAPE sponsors depending on their status qualification can be eligible for tax-free purchases with regard to certain items and in reasonable quantity.

Items exempted from VAT include:

- Durable goods such as furniture, bicycles, personal computers, lawn mowers, and electrical appliances (microwaves, washing machines, dishwashers, etc).

Items not exempted from VAT include:

- Non-durable products (food and drinks), items to be fitted in the house (flooring, sinks, alarm systems, kitchen cabinets, etc), leisure items (cell phones and all type of phones, musical instruments, sports equipment, cameras, etc), personal items (glasses, watches, jewelry, clothing, beauty products, etc), or services (hotel bills, bank or notaire fees, cable bills, etc) are also excluded from tax exemption at the only exception of the proximity services, such as pressing of the clothes of kennel services.

To see the full list of VAT exemptions, check out the shape2day.com website.

There is a specific procedure to follow in order to receive a VAT refund for eligible exemptions:

1. When purchasing an item, make sure to get an invoice (une facture) made under the sponsor's name and address in Belgium; a sales slip or a receipt will not be accepted. The invoice must include the VAT number, the store address, and a description of the goods bought.
2. Next step, the VAT form 151 (previously form 1510) must be filled out in the sponsor's name (the

form can be found online at shape2day.com/tva-vat.aspx). The form will only be accepted if it is printed out as a two-sided document on a single page.

Two original forms are needed, filled in with the corresponding information from the invoice. The crucial piece of information on the form is the VAT number, which is nine digits long in Belgium (BE xxx.xxx.xxx). Once filled, bring the two originals of the VAT form 151 to be stamped, dated and signed by your NMR or corresponding official.

3. Next bring these two VAT forms, as well as the invoice, to the VAT office (which is room 103 in building 210, open Tuesday to Friday from 0900 to 1200 hours). After checking it out, VAT Officers will approve and stamp the form 151 and give the SHAPE member a sealed copy of the form.

4. Finally, this form should be returned to the store where the purchase was made. The store will then refund you the price of the VAT most of the time on a bank account.

Wait, there's more!

SHAPE members do not qualify for exemptions during the last six months of their stay. In order to get tax exemption, the goods must be delivered and used in Belgium while the SHAPE member is posted in SHAPE. Good purchases in tax exemption cannot be resold or given to anyone else.

Do not forget that abuse can lead to the loss of privileges. There are more details, rules and exceptions. Any questions should be addressed to the VAT office.

Congratulations! You now know how to receive VAT exemptions for qualifying items.

For more information, go to shape2day.com, click on Arriving/Leaving Section and then VAT in Belgium or visit us at the office.

However, there are rules to follow, the most important being that a tax free vehicle may only be replaced after three years have elapsed from its first registration in Belgium on a SHAPE Sponsor's name.

So if you sell or transfer the ownership of a tax free vehicle before the three years period from the first registration in Belgium has expired, you will be required the payment of the VAT owed for the remaining months (36ths) of the three-years period. The only exception being if you sell the vehicle to someone entitled privileges (Shapians, NATO member). Then you won't have to pay any tax and the 3-years period will continue under the new owner's name. And more importantly, in all the cases you won't be allowed to replace that particular vehicle before the three years period has elapsed.

Also be aware that being a SHAPE member on duty, if you want to purchase a tax full paid vehicle, the VAT should exclusively be paid in the country

where it is mainly used, Belgium in this case, no matter where you purchased it.

A last word concerning vehicles you import from US or from outside Europe. If you own and use your POV for more than 6 months, you will have to prove it by providing the following documents:

- a copy of the title on your name for the ownership.
 - the proof of the use of the car for more than 6 months in your country (copy of insurance contract or copy of the registration in the former country).
- Providing this information, you will ensure this vehicle and this will enable you to purchase tax free cars.

SILVER SPOON HQ Cafeteria

General Information

Located within the SHAPE Main Building 102, the Silver Spoon Cafeteria facility provides excellent catering services to the SHAPE Community, official guests, and visitors. With the capacity to seat up to 350 customers, it's flexible and varied services serve to make the Silver Spoon an indispensable hub for its many valued customers.

Breakfast (0800 - 1000 hrs)

Our breakfast menu includes an 'a la carte' selection of all your breakfast favourites, cooked to order by our highly regarded chefs, as well as an extensive 'continental buffet' including freshly baked breads and pastries.

Lunch (1130 - 1400)

The versatile cafeteria boasts a selection of dining options, which can be enjoyed in the dining area or packed 'to go' by our helpful staff. The dining options include:

Hot Menu Bar

The buffet comprises a selection of up to six hot meal options, varied daily, including a fish, meat or poultry choice, with fresh vegetable or rice side orders.

Soup Bar

Prepared daily, from the freshest of ingredients, the Silver Spoon offers two soups, available to enjoy in our restaurant, or to go.

Sandwich Bar

Our helpful staff will prepare your sandwich to order from your choice of bread and filled from the extensive range available.

Salad Bar

As a healthy option, the salad bar allows our customers to choose from the pre-prepared salad boxes, or to self-serve from our varied range of fresh salads and cold cuts. The salad selection is then charged by weight at our customer service point.

Pizzeria

Our experienced chef will be pleased to build your pizza, to order, from our extensive range of toppings.

Fast Food Bar

For the customer in a hurry, our fast food bar prepares a selection of favourites. From burgers to steak sandwiches, and the Belgian speciality 'frites' our selection has something for everyone.

RATIONED ITEMS STORE - RIS

The RIS is the place where you can find a wide range of liquors, tobaccos and wines from many different countries. It also includes a perfumes, cosmetics, skincare and accessories (bags, jewels, watches...) department with famous brands. You can also buy TOTAL petrol cards in the RIS.

Rationed Goods

A valid SHAPE ID card (AMIS Card) must be presented to the cashier when purchasing rationed products.

The cashier will then scan your card on the NSTEP device and adjust the balance. Customer is then asked to enter his/her PIN code in order to confirm the transaction.

This system is used to control entitlements of the following items:

- Spirits and liquors above 22% of alcohol content
- Cigarettes, Cigars and Tobacco
- Wines, Champagnes and Sparkling Wines
- Fuel Cards

NSTEP allows purchasing rations within a 12 week-window: 8 weeks in the past and 4 weeks in the future. NSTEP adjusts balances each Sunday; it looks 9 weeks in the past and expires unused rations.

Perfumes/Cosmetics/Skincare/Accessories yearly balance

Each customer with a valid SHAPE ID card (AMIS Card) is entitled with a yearly amount to purchase items from the Perfumes, Cosmetics and Accessories department.

That yearly amount depends on the duration of the customer's tour of duty (Max. 4.320 €/ 1 year). The balance appears on the receipt you receive after every transaction.

Important!

Please note that there is an expiration date on petrol cards. After that date, the card will be unusable and refunds will not be accepted ("Use it or lose it").

SHAPE INN

Bldgs. 902-904
065/44 4385
shapeinn@shapemwb.be

Since the arrival of SHAPE at Casteau, the SHAPE Inn, built in 1967 to house unaccompanied Allied Officers, has come a long way. Over the years, many improvements have been made to enable the Inn to meet the needs of the entire SHAPE Officers' community.

Military and Civilian equivalent personnel, arriving and departing with their dependants or on temporary duty, are offered excellent accommodation, in a safe and pleasant environment, at the lowest rates available in the area.

Located in Bldgs. 902 and 904, with a total of 93 rooms, the SHAPE Inn is ideally placed, close to Headquarters, the SHAPE Club and the Shopping/ Recreation areas. Every morning, a Welcome Coffee will be offered to customers. If you desire good accommodation at reasonable rates, reservations for newcomers or TDY personnel, then the Inn is at your service.

PIZZA BOWL

The SHAPE Pizza Bowl is a United States Bowling Congress sanctioned 12 lane bowling center. It consists of AMF synthetic lanes, pin decks and approaches, AMF 82-90 pinssetters with micro-processor chassis, AMF seating arrangements and Qubica automatic scoring.

The Pizza Bowl is open seven days a week and provides services for eight leagues, consisting of ladies league, a youth league and adult evening league. In between the organized bowling, there is ample time for open leisure bowling and Glow bowling on Friday & Saturday nights. Lockers are available to rent on a yearly basis. The Pro Shop offers many choices of bowling equipment and your bowling ball can be drilled on site. A state-of-the-art drill press for drilling balls is used.

Bowling birthday parties, complete with party favours, shoes and bumper bowling are perfect for the younger family members. Teenage or adult birthday party celebrations can also be catered for. Reservations for parties must be arranged through the manager's office, Monday to Friday, from 0800 to 1700 hours.

The snack bar facility has modernized equipment, seating arrangements and posters and offers a variety of pizzas, burgers, chicken items, various sandwiches, and soft drinks. The bar area stocks a wide variety of beer, wine, alcohol and soft drinks.

Bowling is a highly competitive sport for many youngsters and adults. It is also an enjoyable form of physical recreation and family entertainment enjoyed by the many different nationalities of the SHAPE community. Bowlers of all skill levels and ages will enjoy the SHAPE Pizza Bowl.

SHAPE ALLIANCE AUDITORIUM

The SHAPE Cinema, a 685 seat theatre, was transformed in Nov 2013 when a new digital projection and sound system was installed which enabled the latest Hollywood blockbusters to be screened in both 2D and 3D format.

The cinema provides a convenient on base opportunity to see the latest films on the big screen at a reasonable price.

A refreshment stand is available for each performance. Fresh 'American style' salted popcorn, soft drinks and a variety of top selling sweets are there for your enjoyment.

The cinema managers, projectionists, and refreshment stand workers can be recognized by their distinctive blue shirts; they make every effort to ensure that the moviegoers enjoy their viewing experience. They are in fact often film fans themselves and are pleased to be able to provide the refreshments and strive to provide an excellent movie experience. We look forward to seeing you!

The venue is also used for live events such as large touring shows and concerts and change of command ceremonies and school assemblies. Movies are shown throughout the year, usually with ten films scheduled each week, from Wednesday to Sunday.

The current film schedule offers showings on Wednesdays, Thursdays, Fridays, Saturdays and Sundays. Highlights often include children's and family movies. The schedule of films and show dates is published a week in advance and can be found on www.shape2day.com website.

SHAPE PERFORMING ARTS CENTRE

The SHAPE Performing Arts Centre offers a variety of theatre programming to serve the diverse international communities on SHAPE. The SHAPE Players perform four productions annually, which always include at least two musicals, a comedy and a drama.

It is located in building 207 a short distance from the Berlin Gate entrance. The facility was renovated during the summer of 2006, elevating the audience seating, painting the auditorium and refurbishing the seats for comfort. The theatre lobby has been completely redesigned in 2008. The facility also serves the NATO Community for training, conferences and special service events as well as special cultural presentations.

The SHAPE Players have been honored with numerous awards for their outstanding productions and were the recipients of the 2009 Ivring Berlin Award for Outstanding Entertainment Excellence.

The SHAPE Performing Arts School is opened three times a year offering several weeks theatre workshop where children from ages 5 to 18 are brought through every steps of a musical production, including acting, singing and dancing sessions.

It is the mission of the SHAPE Performing Arts Centre to present diverse theatre programming which stimulates, educates and entertains the SHAPE International Community.

SACEUR SPORTS

The SACEUR Sports Competition has a true International feel and is a genuine chance to represent your country at any one of a number of different sports/activities. The events are held on the last Thursday of each month throughout the year. Example of the SACEUR Sports events are: Racket Sports, Swimming, Volleyball, Biathlon, Dodgeball, Football, Tennis, Athletics (Track & Field), Orienteering and Super Stars. Anyone who is interested in representing and/or supporting their nation should contact their National Sports Representative or the Sports & Fitness Department at ext 5325.

SHAPE HALF MARATHON

The SHAPE 1/2 Marathon and Children's Mini Marathon is one of our events that encompass the whole community and usually it takes place in March. It is open to all fitness levels and may be used as a kick start to a healthier lifestyle. Many

Shapians are keen to undertake this challenge, but are in need of a little help or encouragement.

MAKE-A-WISH

In support of the international children's charity Make-A-Wish, which grants wishes to terminally ill children, SHAPE Sports & Fitness hosts an annual 24 Hour 'Fun Relay'. Words cannot begin to describe this truly international event which had nearly 4000 participants from across the entire SHAPE Community every year. Runners of all ages, sizes and abilities do their bit to help a dream come true! This event, held in May, is growing every year and really should not be missed.

SHAPE INTERNATIONAL BAND

The SHAPE International Band is a unique, inter-service and international military band that represents the SACEUR, SHAPE and NATO in concerts throughout Europe.

The Band's primary mission is to act as a ceremonial band to honour the many distinguished visitors to SHAPE. They also promote NATO's message through concerts, national celebrations, and community festivals.

Originally founded in 1983 as a voluntary musical organization, the band was officially activated in 1985. Today the band consists of 14 enlisted military members from Canada, France, and the United States and is supplemented with volunteers.

This group of dedicated musicians perform as soloists and create numerous diverse ensembles: NATO Jazz Orchestra, NATO Jazz Alliance, Gruntz, Task Force X, Groove Summit, Ceremonial Band, Brass Ambassadors, and NATO Trio.

Bandmaster Alex Dvorak leads the SHAPE International Band. He is the only enlisted bandmaster in the USA Army and has over 30 years experience directing, leading and participating in musical organizations.

Though we speak many languages here on SHAPE, the band speaks the universal language every nation understands: Music! Whether it's Jazz, Pop or Big Band music, the SHAPE International Band embodies the true spirit of SHAPE and the NATO alliance. Learn more about this unique organization at:

www.shapeband.be as well as on their Facebook page.

SHAPE RECYCLING CENTRE

The SHAPE Recycling Centre informs you that the following materials may be disposed of at this location.

CARDBOARD AND PAPER

All paper and cardboard products should be placed in the compactors. There is no need to separate papers and cardboards e.g. newspapers, boxes, magazines, etc.

GLASS PRODUCTS

All types and colours of glass go into the same container. It is not necessary to remove labels and metal rings. Sorting of glass will be done at the processing centre. Chinaware and ceramic items are not accepted.

PLASTIC MATERIAL

It is not necessary to remove the caps or labels. Plastic items that are non-recyclable and cannot be accepted: Bottles or containers for syrup, butter or other grease or fat based products, cup type containers for yoghurt, custard, pudding, sour cream, preserves, cheese, meat, salad and other similar food products, plastic bags or other thin plastic wrapping, and Styrofoam trays or materials. These plastic products are not recyclable and are simply disposed of by burning at the plant. They should be disposed of in appropriate bags and collected at the time of the regular rubbish collection.

METAL

There are two metal containers, one for aluminum cans and other metal tins; labels do not have to be removed, the other one is for scrap metal only.

BATTERIES

Small batteries may be dropped in a small yellow metal box near the container for special household waste. Car batteries will be stored by the Recycling Centre staff in the covered 20M3 special waste container.

USED CAR OIL

Will be poured by the Recycling Centre Staff into the 1,000 litre oil container near the covered 20M3 special waste container.

TOXIC WASTE

Any toxic material, such as cleaning fluids, paints and other toxic waste, should be left in their original containers and dropped in the container for special household waste. They will be stored by the Recycling Centre staff in the special waste container.

UNWANTED HOUSEHOLD ITEMS

Old clothes, blankets, leather bags and shoes go into any of the three CURITAS containers located in the compactor area.

Since 1995, the SHAPE Recycling Centre has had three CURITAS beige containers in operation.

These containers accept:

- All old clothing (men, women, children) .
- Linen and bedclothes.
- Old shoes, bags and other leather articles.

These items will be:

- Re-used in second-hand shops and in third-world and disaster-stricken areas.
- Transformed into rags or stuffing for mattresses and car seats.
- Re-used as fibres for insulation material. Please make sure that items dropped into the containers are packed or tied up. Recycling of old clothes and leather will protect the environment against further pollution caused if these products were to be burnt or thrown out.

These containers are installed free of charge and all profits made from the recycling process are donated to the Oeuvre Beige du Cancer.

NOT ACCEPTED!

Regular waste, large household items, electronic and electric equipment, construction waste, yard waste and wood. These items have to be disposed of by the owners in the local recycling centres such as Jurbise or Obourg or Jemappes. Details of the location and information on the recycling procedures for this area can be found on the following website:

www.idea.be/Show.aspx?Pageld=spc/parcsconteneurs

Your Housing Office can also provide you with information about your local recycling centres, bulk or personal trash process.

**Be aware, when you buy and delivered any new electrical appliance, the shop has the obligation to take away (free of charge) your old appliance.*

SHAPIANS ARE KINDLY REMINDED THAT THEY SHOULD NOT:

- Leave their children unsupervised when using the Recycling Centre. Access ramps between containers are sometimes slippery and the paper compactor's hydraulic press while in motion, may represent a serious potential hazard to unattended children.
- Use the Recycling Centre as a short-cut between the shopping facilities car park and Avenue de CO PENHAGUE.
- Drop material off outside of the Recycling Centre outside of business hours. This may constitute a violation of Belgian law and subject you to significant fines. Items left may be searched to determine ownership and to locate the owner.

The SHAPE Recycling Centre has also installed a number of satellite recycling centres throughout the SHAPE area on request with the intent to help protect the environment. The satellites consist of 240L containers for paper/cardboard, glass, cans and plastic as well as 770L containers for cardboards.

HOW TO USE THE SATELLITES RECYCLING CENTRES

The satellites may only be used for the recycling of:

- PAPER: Only paper, newspapers, magazines
 - No greasy paper, no pizza boxes, no styrofoam cups, no plastic wrappings (around catalogues or magazines ...).
- CARDBOARD: Small cardboard boxes must be folded; big cardboard boxes must be cut and folded.
- GLASS: Only glass bottles
 - No chinaware, no ceramic items, no panes of glass, nomirrors, no neon tubes, no lamps.
- CANITIN: No spray.
- PLASTIC: Only plastic bottles
 - No plastic bags, no plastic wrappings.

The satellites recycling centres may, under no circumstances, be used for waste disposal. Should you request more information about the SHAPE Recycling Centre and/or the recycling satellites, please call Francesco Canu, SHAPE BSG-ISS, on extension 4253.

INFRASTRUCTURE, STORAGE AND SUPPLY BRANCH (ISS) – PDO Sales

The Property Disposal Office (POO) conducts, on a monthly basis, sales of written off property in Bldg 201. The POO office is open every day from 9h00 to 11 h30 (Francesco Canu or Sylvie Cassez ext: 4253 or 4294)

It is possible to buy at fixed price furniture, mess items, tools, GSM and data processing equipment such as PC, screens, printers, scanner, laptops, etc. Payment in cash only.

PDO also conducts in conjunction with the Receiver of the Mons Property Office vehicles sales by public auction once or twice a year.
